LETTER

Commissioner for Patents
P.O. Box 1450
Arlington, VA 22313-1450
VIA FAX:

Sir:

Attached is a Revocation and Power of Attorney from an attorney for ITW, as well as a copy of the Assignment Recordation Notice demonstrating that an Assignment of the inventor's interest was made to Illinois Toolworks Inc., as is shown by the Assignment recorded at Reel/Frame: 012439/0485.

Therefore, the prior rejection of the Power of Attorney due to failure to comply with the requirements of 37CFR 3.73 is believed to have been overcome, and acceptance of the Revocation and Power is respectfully requested.

Respectfully submitted,
GREGOR N. NEFF
Attorney for Applicant(s)
